EDUCATION:

Missouri State University

Electronic Arts: Multimedia, Bachelor of Science
Minors in Art and Theatre
August 2007 – May 2011 (expected)

Member: Phi Eta Sigma, National Honor Society of Collegiate Scholars

WORK EXPERIENCE:

June – August 2010

Intern, Coolfire Media, Marketing & Advertising Agency

Worked closely with the video producers, editors, and the rest of the team fulfilling the duties of an intern. This included being a PA on set, editing videos, and some design work.

October 2009 – January 2010

Head of Online Identity & Design, BVS Productions

My responsibilities were designing and creating an identity, logo, and website for this Edward R. Murrow award winning production team.

May 2008 – May 2009

Lead Web Designer & Creator, Home Transitions

I was hired to design, create, and maintain a website for this new company. This included logo creation, as well as implementing a Google Apps email client for use by the company.

TECHNICAL SKILLS:

Web Design Apps: Adobe Dreamweaver, Adobe Flash Professional, Adobe Flash Catalyst, Adobe Fireworks, Coda, CSSEdit

Web Technologies: HTML5, CSS3, JQuery, Wordpress, Flash

Video Creation: Adobe Premiere Pro, Adobe After Effects, Final Cut Pro, Avid Media Composer
